**NARRATIVE:**

Sanchez, has an extensive adult criminal history that began at the age of 18. His convictions include voluntary manslaughter, battery, attempted grand theft auto, grand theft of property, assault, vehicle theft, petty theft, driving under the influence of alcohol, possession of a controlled substance, and failing to report. He has served multiple state prison terms, the longest being 2 years for vehicle theft. Sanchez was released from state prison to the supervision of the Los Angeles County Probation Department on November 1st, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2014 after he absconded from post release community supervision (PRCS). Sanchez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
